Dear Senator Eagleton:

Thank you for your inquiry of August 25 on behalf of
concerning the fate of Raoul Wallenberg.

The Department's records show that Mr. Wallenberg was assigned to the Swedish mission in Budapest, Hungary during World War II and disappeared in January 1945 after Soviet troops arrived. The Soviet Union responded in February 1957 to repeated inquiries by the Swedish Government by stating that Mr. Wallenberg died in a Moscow prison on July 17, 1947. Although the Swedish Government officially raised the Wallenberg case on numerous subsequent occasions, citing several witnesses who claimed to have seen him alive during the 1950's, the Soviets have provided no additional information.

That initiative resulted in a formal written reply from the Soviets in February 1980 reaffirming their claim that Mr. Wallenberg died in 1947. They also stated that they had informed the Swedish Government directly of their latest findings and suggested that they would have no further information on this matter in the future. Given the current state of U.S.-U.S.S.R. relations and the tone of the February reply, we doubt the Soviets would be responsive to further inquiries about Mr. Wallenberg.

We have also attempted to gain information in other ways. U.S. officials conducted extensive interviews with
